

**Drug and Alcohol Abuse Prevention
Program (DAAPP)
Annual Report 2016-2017**

Grand Rapids Community College

The Drug Free Schools and Campuses Regulations (34 CFR Part 86) of the Drug-Free Schools and Communities Act (DFSCA) require an Institution of Higher Education (IHE) such as Grand Rapids Community College (GRCC), to certify that it has implemented programs to prevent the abuse of alcohol and use, and/or distribution of illicit drugs both by GRCC students and employees either on its premises and as a part of any of its activities. At a minimum, an IHE must annually distribute the following in writing to all students and employees:

- I. Standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees;
- II. A description of the legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
- III. A description of the health risks associated with the use of illicit drugs and alcohol abuse;
- IV. A description of any drug or alcohol counseling, treatment, or rehabilitation or reentry programs that are available to employees or students; and
- V. A clear statement that the institution will impose sanctions on students and employees and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct or law.

I. Standards of Conduct

A. Employees

Grand Rapids Community College, in compliance with the Drug-Free Workplace Act (41 U.S.C. 701) and the Drug Free Schools and Communities Act (20 U.S.C. 1145g), adopted a policy entitled, "Drug and Alcohol Policy."

According to this policy, the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or alcohol on property owned or controlled by the College or as part of any College sponsored program off campus is prohibited, except as noted within the policy. Sanctions for violating this policy are outlined in section V (A) below.

The full version of the current Drug and Alcohol Policy can be found at:
<http://www.grcc.edu/humanresources/drugandalcoholabuseresources>

B. Students

Students attending Grand Rapids Community College are held responsible to our Student Code of Conduct. In addition to local, state and federal laws, our Student Code of Conduct prohibits:

Illegal or Unauthorized Possession/Use of Alcohol and Drugs

This includes the unauthorized use, possession, manufacturing, or distribution of illegal drugs, controlled substances, look-alike drugs, narcotics or alcoholic beverages or being under the influence of the same. Prohibited conduct includes the use of a prescription drug if the prescription was not issued to the student and sniffing toxic vapors.

Sanctions for violating this standard of conduct are outlined in Section V (B) below. A full version of the Student Code of Conduct can be found at www.grcc.edu/studentconduct/studentcodeofconduct.

II. Legal Sanctions

The Grand Rapids Community College Police Department enforces all federal and state laws and local ordinances.

A. Federal

Federal law provides criminal and civil penalties for unlawful possession or distribution of a controlled substance. Under the Controlled Substance Act, as well as other related federal laws, the penalties for controlled substance violations include but are not limited to: incarceration, fines, potential for the forfeiture of property used in possession or to facilitate possession of a controlled substance (which may include homes, vehicles, boats, aircrafts and any other personal or real property), ineligibility to possess a firearm, and potential ineligibility to receive federal educational benefits (such as student loans and grants).

B. State

The State of Michigan has numerous laws regulating the possession and use of controlled substances and alcohol. As an example, under current Michigan state law, “a person shall not knowingly or intentionally possess or distribute a controlled substance.” If an individual is found guilty of a violation of the state law, they may be subject to large fines and imprisonment.

A minor (defined as a person under the age of 21) may not “purchase or attempt to purchase alcoholic liquor, consume or attempt to consume alcoholic liquor, possess or attempt to possess alcoholic liquor, or have any bodily alcohol content.” Violations of the law may subject the individual to fines, participation in a substance abuse program, imprisonment, community service hours, and/or out of pocket expenses related to required substance abuse screenings.

The State of Michigan laws can be found at <http://legislature.mi.gov/doc.aspx?chapterindex>.

C. Local

The City of Grand Rapids ordinances include but are not limited to: consumption in public places, possession and use of alcohol by minors, uncapped liquor in passenger compartments of vehicles, and all substance abuse ordinances. Sanctions could range from a civil infraction with attached fines to probation, rehabilitation, or even imprisonment. A full version of the city ordinances can be found at

https://www.municode.com/library/mi/grand_rapids/codes/code_of_ordinances

III. Health Risks

According to the National Institute of Drug Abuse (NIDA), addiction is a chronic, relapsing disease characterized by compulsive drug seeking and use despite negative consequences and by long-lasting changes in the brain. Most drugs of abuse can alter a person’s thinking and judgment, leading to health risks, including addiction, drugged driving and infectious disease. IV. Drug and Alcohol Programs

The following training, programs, resources, counseling, treatment, rehabilitation, or reentry programs are available to employees and/or students as described below.

A. Employees

- Human Resources/Staff Development transitioned their eLearning software to Skillsoft spring of 2014. The eLearning module offers employees training in a number of categories, compliance (mandated) being one of the areas. All new employees are assigned a packet of compliance trainings to be completed, Drug and Alcohol Prevention is one of those trainings. Promoting a substance free workplace training is available to all employees 24/7 on and off campus using their personal account.
- The College offers an Employee Assistance Program (EAP), contracted through Pine Rest, free and accessible to any employee who may be seeking confidential counseling, assessment and/or treatment options. The EAP is a benefit paid for by the College. The hotline (616-455-6210) is accessible 24 hours a day, seven days a week. Employees are eligible for up to two pre-treatment and assessment interviews at no cost for problems requiring further assistance.
- Substance abuse needs are also covered by all medical plans offered by Grand Rapids Community College. Employees pay only their plan's deductible or co-pay for all treatment services.
- Leaves of Absence. GRCC offers leaves covered under the Family and Medical Leave Act and those not covered by the Act. Employees may work with GRCC's Human Resources department to request a leave to participate in treatment, and the reason for the leave is maintained confidentially. Leaves may be full leaves, meaning the employee is entirely absent from work, or the employee may take intermittent leave of absence. Leaves are coordinated through and documented by the employee's treatment provider.
- The GRCC Counseling and Career Center webpage offers a Free Alcohol Screening tool, which can be accessed at:
<http://www.mentalhealthscreening.org/screening/?keyword=GRANDRAPIDS>
- The Community Resource Handbook also includes information on the Drug and Alcohol Policy and Drug and Alcohol Prevention Program.
<http://www.grcc.edu/humanresources/drugandalcoholabuseresources>

B. Students:

- An email is sent to all students enrolled in job training and credit courses each semester from the Dean of Students Office covering a variety of topics around safety, rights and responsibilities. The communication can be viewed at <https://grcc.edu/studentaffairs>.
- The GRCC Counseling and Career Center webpage offers a Free Alcohol Screening tool, which can be accessed at:
<http://www.mentalhealthscreening.org/screening/?keyword=GRANDRAPIDS>.
At the end of each anonymous screening, the student will receive an immediate result that can be printed and taken to a clinician for further evaluation. A screening test is not a substitute for a complete evaluation but it can help them learn if their symptoms are consistent with depression, bipolar disorder, an alcohol problem, an anxiety disorder or post-traumatic stress disorder and how to access help. This program is designed for individuals age 17 and above. The online screening is completely confidential.

- During the Fall Welcome Week Activities, the Campus Activities Board set up an Alcohol Awareness table, distributing flyers on alcohol awareness. A GRCC Police Officer was involved and engaged in discussion with students around this topic.
- The GRCC Counseling and Career Center offers an educational workshop titled, “Alcohol & Marijuana Workshop”. The workshop focuses on the potential impact drug and alcohol use can have on students’ academic success. The workshop is offered in both the Fall and Winter semester. The most recent schedule can be found here: <http://cms.grcc.edu/counselingandcareercenter/events/generalworkshops>
- Through the GRCC Career and Counseling Center, students have free access to licensed counselors on campus for initial screening/consultation in regards to a concern around substance use, with possible referral to an outside agency.
- Student athletes are presented with general information during their Orientation about alcohol/drug use, as well as resources if they find themselves struggling with abuse.
- As part of our Addiction Studies Certificate, GRCC offers the following classes for credit:
 - CJ 245 Substance Abuse
 - CJ 246 Alcohol Use and Abuse
 - CJ 275 Addiction Treatment with Diverse Populations
